AMENDMENT UNDER 37 CFR 1.312

Dear Sirs:

Applicant thanks the Examiner for the Notice of Allowance dated November 9, 1999. Applicant is attaching replacement drawings for FIG. 5 and 8, in which mere format changes and correction of clear errors have been made. For example, a "start" and a "continue" box, arrows showing process flow, abbreviations for average (to "ave."), and maximum (to "max."), and the replacement of the word "of" in line 6, block 840 of FIG. 8 with a comma (a clear error) have been made.

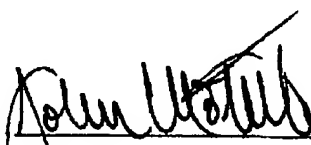

Applicant will follow this faxed amendment up with the payment of the issue fee and the submission of formal drawings, including the above-noted corrections, to the official draftsman.

If the Examiner finds this response deficient in any sense, Applicant requests that the Examiner contact the Applicant via telephone or fax to 011-4122-344-0694 (Geneva,

Switzerland) or e-mail to davinci@iprolink.ch.

Respectfully Submitted,

By:
